\* If the entry is a continuation, divisional, or a new application, the fee is determined by the highest fee previously paid for the same invention. If the entry is a new application, the fee is determined by the highest fee previously paid for the same invention. If the entry is a continuation-in-part, the fee is determined by the highest fee previously paid for the same invention. If the entry is a new application, the fee is determined by the highest fee previously paid for the same invention. If the entry is a continuation-in-part, the fee is determined by the highest fee previously paid for the same invention.

This form is to be completed by the applicant or the attorney-in-fact. The information provided on this form is used by the USPTO to determine the appropriate fee to be charged for the application. The fee is determined by the number of claims, the number of independent claims, and the number of multiple dependent claims. The fee is also determined by the type of application (e.g., new application, continuation, divisional, etc.).

U.S. Patent and Trademark Office, U.S. Department of Commerce, Patent Fee Schedule, PTO/BB/01 (12-0), 10/1/99.
